

Virtual MADSEC Annual Fall Conference

October 25 & 26, 2021

MADSEC is pleased to announce we are still holding our Annual Fall Conference. Out of an abundance of caution, our conference will be presented through a virtual platform this year for the health and safety of all. With this recent platform change, we are excited to announce the benefits from hosting the conference virtually. Participants will have access to all pre-recorded session presentations and documents for a longer period of time, as well as scheduled, livestreamed access to presenters for a Q & A session, keynote speaker, Kellie Bailey, MDOE presentation by Erin Frazier and team, and MADSEC Executive Board collegial conversation. All of this, in addition to our many exhibitors who will be available for you to network with, ask questions, and view their product/service. Please see the session description document and agenda for more information. Sign up today, if you haven't already! We would love to have you join us for this professional development opportunity.

Virtual MADSEC Annual Fall Conference includes:

- Entry link to conference material/Whova Dashboard one week prior to the event date
- Pre-recorded break out sessions available one week prior to the event date and up to three weeks after the closing of the conference (see session description write up)
- Documents and resource links to break out sessions available one week prior to the event date and up to three weeks after the closing of the conference
- Scheduled, livestreamed breakout sessions, which include presenter highlights of the pre-recorded session and open Q & A time during the conference dates (2 time slots available per presentation)
- Scheduled, livestreamed keynote speaker, Kellie Bailey to kick off the conference (see Kellie's bio & session write up- whole group session)
- Scheduled, livestreamed MADSEC Executive Committee Collegial Conversation (see session write up - whole group session)
- Scheduled, livestreamed Maine DOE Presentation by Erin Frazier and team to close out the conference (see session write up- whole group session)
- Exhibitor Virtual Booths that can be visited throughout the conference. Exhibitors will be able to set up their own times for live networking and upload any presentations, demonstrations, and materials. Don't forget to visit their "booths". Although there won't be candy available, there might be other "goodies" for you.
