

A. LEIGH PHILLIPS SCHOLARSHIP

The Selection Committee for the A. Leigh Phillips Scholarship Fund is soliciting applications for this year's award in the amount of \$1,000.00

The A. Leigh Scholarship Fund is maintained through the Maine Administrators of Services for Children with Disabilities (MADSEC) and was established through the cooperative efforts of the Maine Administrators of Services for Children with Disabilities (MADSEC), the Maine Department of Education (MDOE), and the Maine Council of School Board Attorneys (MCSBA), as a tribute to Ms. Phillips and her many contributions to children with disabilities throughout Maine.

Anne Leigh Phillips was born on December 6, 1942 in Santa Ana, California and grew up in Virginia. She was a talented dancer and majorette. At age 16, Leigh contracted all four strains of polio. She had recently auditioned to be a dancer in a Broadway musical. Leigh earned her B.A. in English from Hampton Institute in Hampton, Virginia and her M.A. in English from the University of Connecticut. From 1981-1988, Leigh was employed by the U.S. Department of Education Office for Civil Rights in Washington, D.C. In 1988, she was hired by the Maine Department of Education as an Education Specialist II for Exceptional Children in the Program Review office. Leigh's life was dedicated to serving people with disabilities. Her influence and advocacy on the part of persons with disabilities was felt across the State of Maine. She enjoyed and loved her home in Islesboro. Leigh succumbed to cancer on October 17, 1998.

Applications are open to Maine high school seniors going on to post-secondary education and who hold a current identified disability under the Individuals with Disabilities Education Act (IDEA) and Maine Unified Special Education Regulations (MUSER) Chapter 101. This does not include students who are identified only under Section 504.

Please submit one copy of the entire application packet, including one set of originals of each letter of reference and transcript to: info@madsec.org

All application materials must be submitted electronically on or before March 17, 2023.

Applications will be reviewed by the Selection Committee. All applicants will be notified of the Committee's decision by April 14, 2023.
