LEA Representatives are essential members of IEP teams – they are responsible for ensuring that the District is complying with the requirements of the IDEA and committing the resources needed to ensure that students are receiving a FAPE. These are big responsibilities indeed! MADSEC and Drummond Woodsum are excited to offer a unique training specifically for LEA Representatives. This training will address the basics of special education law from child find to graduation, with a bonus section on student discipline and manifestation meetings. The training will also highlight how to run effective IEP team meetings, diffuse conflict, and reach consensus.

Complete with practical scenarios and real-world examples – this training is a must for any school administrator serving as the LEA Rep at an IEP team meeting!
