

AOS #43
Special Education Director Vacancy

AOS #43 is accepting applications for the position of Director of Special Education Services, K-12 within MSAD #31, effective July 1, 2021.

This is a full-time position that is responsible for overseeing special education and Gifted and Talented for a district of approximately 550, K-12 students. The director will oversee all aspects of its special education program and be responsible for supervising special education staff, ensuring that the IEP process runs efficiently, manage the special education budget, and ensure that compliance is met with all State and Federal regulations. The ideal candidate for this position should be an involved educational leader who will encourage a positive, healthy climate for students and staff. They must be a strong communicator and be able to work collaboratively with administration, staff, and families.

Applicants must have a Special Education Director certification to be considered. Compensation and benefit package offered is commensurate with experience and background.

Interested applicants should submit a letter of interest, a completed Administrator application form (found at www.sau31.org), an updated resume, copies of transcripts, a Maine Department of Education certificate (030), and three (3) letters of recommendation to:
